

E-COMMERCE SOLUTIONS

CUSTOM SHOPPING CART SYSTEMS

Creative Business Solutions eCommerce systems are designed to fit your type of storefront so you can easily manage your products online. Whether your products are marine equipment or soap baskets, Creative Business Solutions helps you identify the solution that will work best for your type of inventory.

You can easily edit the contents of your store through a simple type-and-click administration panel you can access from any computer connected to the internet.

Account Settings: Edit company information, shipping Prices, and tax rates

Manage Products: Edit product categories, product brands, and product styles

Manage Orders: Search orders by from/to dates

Customers: Manage Customer & Order Information

Reports: View sales reports, product reorder report, customer order activity report

On-Line Payments: Process credit cards directly online via Authorize.net gateway. We help you obtain a merchant account to transfer money directly to your bank account.
